

New management team PTV Austria GmbH: Dual management strengthens local market

Peter Möhl and Thomas Epp appointed as managing directors / Expansion of the Logistics segment throughout Austria and South-Eastern Europe

Vienna, Austria, July 9, 2019. Thomas Epp and Peter Möhl have been appointed managing directors of PTV Austria GmbH. Based on their international management experience and product expertise, the long-standing PTV employees will strengthen the local team. Customers in Austria and South-Eastern Europe now have a central point of contact regarding transport and logistics issues.

"Our aim is to support PTV customers quickly and efficiently, and to respond to their individual needs. This only works if we are close to the market," says Peter Möhl. Thomas Epp adds: "We work with specialists from the transport industry on a day-to-day basis, so it is important that the PTV team in Vienna convinces with its expertise and market knowledge. This applies to both sales and professional services."

At the same time, PTV Austria is expanding the Logistics segment, turning it into another key pillar of its corporate portfolio. Customers in the transport industry will benefit from this expansion: "Be it dispatcher or transport planner, everyone in our sales region will now have a direct point of contact: PTV Austria GmbH," confirms Thomas Epp.

Dirk Franke, Regional Managing Director Central & Eastern Europe, is convinced of the success of the dual leadership: "Thomas Epp and Peter Möhl are valued experts and business partners beyond company borders. I'm firmly convinced that both the region and the local team will benefit from their expertise."

Two managing directors - one goal

Peter Möhl has been working for the PTV Group at its German headquarters in Karlsruhe for 19 years. As Director Sales Traffic Software he has developed the international business in various regions of the world. As of this year, he runs PTV Austria's business as Managing Director.

Thomas Epp was appointed second Managing Director. He has been representing PTV in Vienna, Austria, since 2008. One of his achievements is the successful establishment of a Professional Services team that is involved in projects all over the world. Thomas Epp focuses on merging the business fields of transport and logistics in Austria and South-Eastern Europe.

Together they are driving forward PTV's growth strategy in these regions.

PTV. The Mind of Movement.

PTV Group takes a holistic approach that integrates all aspects of traffic, transport and logistics to create and promote sustainable mobility. Recognised as global market leader, PTV develops intelligent software solutions for transport logistics, traffic planning and traffic management. Thus cities, companies and people save time and money, enhance road safety and minimise the impact on the environment. Based on its unique expertise in every facet of mobility, PTV ensures that people and goods arrive at their destinations safe and sound, and on time.

More than 2,500 cities deploy PTV products. Trips and routes for over one million vehicles are planned with our software. The European transport model, which encompasses all passenger transport and freight movements in Europe, is developed using PTV software. We currently have more than 800 colleagues worldwide committed to driving the high performance of our products. The company's headquarters located in the heart of the Karlsruhe technology region houses its centre of development and innovation. From here, PTV plans and optimises everything that moves people and goods worldwide - it's the idea which has accompanied the Group since its foundation in 1979.

The company's business activities are managed worldwide by its offices in six regions: Nordics, Central and Eastern Europe, Southern Europe, MENA (Middle East, Africa & India), Asia Pacific, Americas.
